Are You Paying Your IT Consultant to Sit in Here?

Why pay for eight hours of billings if your consultant's not actually working that whole time?

Liveware recognizes that you need to maximize the return on your use of outside resources. That's why we bill only for work performed and for results delivered.

Our experienced consultants are able to quickly analyze complex issues and systems to jumpstart your projects and deliver results.

For nearly 20 years, we've been delivering results to hundreds of companies throughout the area. Liveware consultants have real-world business experience at some of the region's largest organizations. So you can be confident that we'll understand your issues and help you develop the best fit for your company.

Liveware specializes in:

    Database Development
    Reporting Systems
    End-user Training
    Application Integration
